Around thy curving side, They shall not rend thy stalwart make, Proud beauty, of the tide! The roaring blast may fiercely spring

Along the mountain wave, The wave of hate may lash thy mast As though it were a slave! But let them gorge their clashing might To fury's utmost fill -

Thy sister prows shall ride one o'er, And both bend to their will The lightning's bolt may sweep along The curtains of the sky,
But they who man thy bulwark strong,
Shall steal it from on high!

The vulgar scum that gurgles out The ocean of the crowd, May spread thy wake with luring snares, To stitch a wat'ry shroud!

Heed, heed them not, thy plunging keel Shall brush them from the path, As thou shalt beat with thunder back Pale victims of thy wrath!

Leap lightly o'er the liquid blue, Yet steer from siren crime, Then, then thy sails shall stretch bevond The sheets of ev'ry clime!

On! on! fair bark; a pation hails The splendor of thy sway O'er main and skies; o'er land and breeze, Sweet daughter of the spray !

NUTRITIVE QUALITIES OF MILK .- In the Medical Convention lately in session in Philadelphia, Dr. N. S. Davis, of Chicago, Illinois, presented a report on least ten per cent. the nutritive qualities of milk, and also on the question whether there is not some mode by which the nutritive con stituents of milk can be preserved in their purity and sweetness, and furnished to Sec. LONDON BRO. STOUT, the inhabitants of cities in such quantities as to supersede the present defective and often unwholesome mode of supply. the report says that when the railroads were opened into the interior of the country, it was said that milk would be formished to residents of cities in the purity that it was found on the farms, but a sufficient time had clapsed to demonstrate casks of 10 gallons under bond to be sold from the that such is not the case. The conveyance of the milk from the farm to the cars, the transit on the railway, and the time lost in its delivery throughout the of making it unfit for the nourishment of a child. During the last half century experiments had been made with a view and TRUNKS, among which are city, it was clearly shown, had the effect of preserving milk in its pure state, yet Ladies' moroeco, kid and lasting Gaiters it was but recently that a discovery had Boots, Slippers, Ties and Buskins have made by a smaller of New York Misses' do do been made by a gentleman in New York which was to evaporate the water and mix with white sugar, which rendered it what is termed solidified milk. In his practice he had used this improved milk for the nourishment of infants with the most gratifying results, and after having of Trunks, Carpet Bags Valises, and Satchels, very kept it for three months, and he knew of cheap. without any injury to its qualities.

UNPARALELLED MEANNESS -The Corporation of Montreal invited Sir Edmund Walker Head, Governor General, to visit that city at the opening of the exhibition preparatory to sending to the Paris Exhibition. They engaged rooms for him quantities. at the Donnegana House, and refused to pay the bill. Madame S. Julien, the landlady has accordingly sued Sir Edmund for the amount.

HAMPTON'S VEGETABLE TINOTURE. EASTON, Oct. 4, 1854.

Messrs. Mortimer & Mowhray:

Gentlemen—I feel it my duty to you and the public to certify to the effects of Hampton's Vegetable Tincture. I was for more than five years laboring under a disease of Chronic Rheumatism, and the great part of that time I was so helpless that I had to be helped from my bed and dressed in my clothes I became reduced to a mere skeleton. All the med icines I took done me no good, and I continued to grow worse. I heard of Hampton's Tincture and thought I would give it a trial. At this time I did not expect to live one day after another. I lid not take ft (the Tincture) for the Rheumatism, but in a short time I was well of that disease. From the effects of your Tincture and the help of God I am now getting in good health. I wish all the afflicted to try Hampton's Vegetable Tineture, as I have done, with the same effect that

it has on Your obedient servant, ISAAC BENJAMIN. We are acquainted with Isaac Benjamın, sold him some of Hampton's Vegetable Tincture, and befieve the above statement correct.

TESTIMONY FROM NORTH CAROLINA. Certificate of Dr. W. Smith, of Pine Hill, Rich mond County, N. C.

PINE HILL, March 4th, 1854.

DR. C. M. JACKSON, Philadelphia—Dear Sir: 1
have been a subject of Dyspepsia, in its worst form,
for the last five years. Such was my condition for welve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places in Virginia, Tennessee and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Rutherfordton, a small village in North Carolina, to try the effect of some Chalybeate water in that place. About the last of the week, I went into a drug store to get some medicine for my child and myseif. There were several of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefitted by the use of "Dr. Hoofland's German Bitters," prepared by you, and he insisted that I would try the Bitters He also called the next day at my room, and insisted so much that I would try them that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I do say was more benefitted by it than all the water and nedicine I had ever taken.

After reaching nome one of my neighbors came to me for a prescription and medicine, (he a dyspep-tic,) and i gave him nearly all the Bitters I had left, which effected much good in his case. He has often sailed on me for more of the same kind of mediine, saving he was more benefitted by it than any oner he had taken, but I have not been able to get more for him or myself since, ...., thereore, please ship me a dozen or more as soon as pos-Eble. Respectfully yours, W. SMITH.
D. R. HOOKER, Roger's Store, Wake Co., N. C., etober 24. 1853, says :- " Having experienced very great benefit from the use of "Hoofland's German Bitters," in Chronic Dysentery and functional deangement of the Liver, and its concomitant evils, I am desireus of obtaining a quantity of it for the benefit of my community. You will, therefore,

please send a lot, &c. &c. CERTIFICATE OF WM. J. ATWOOD. HUNTSVILLE, YADRIN Co, N. C., Nov. 1st, 1853. Dr. C. M. Jackson-Dear Sir: Allow me to express to you my sincere thanks for your discovery of a medicine which, to say the least of it, has effeeted a cure that all other medicines, that I have taken, have entirely falled to do. "Hoofland's German Bitters" have cured me of the most stubborn and aggravated case of the PILEs that, perhaps, ever fell to the lot of man. My case is not a stranger in this community, as I am well known in this and the airrounding counties, and can truly say that my recovery has astounded all my friends and relations, as I had tried everything recommended, and nothing did me any good until I was prevailed upon to try the Bitters. You are at liberty to make any use of this communication, for the benefit of the afflicted, you may think proper. Truly yours, WM. J. ATWOOD.

These bitters are entirely vegetable, they invigorate and strengthen the system, never prostrate it, and can be used for infants as well as adults. For sale by respectable dealers everywhere, and by Z. D. GILMAN, Washington; J. L. KIDWELL, Georgetown; and J. R. PIERPONT, Alexandria.

prud moe in Life, or Impurity of the Blood.

HIS valuable Medicine, which has become celebrated for the number of extraordinary cures.

Hected through its agency, has induced the proprifors, at the urgent request of their friends, to offer it to the public, which they do with the utmost condience in its virtues and wonderful curative properti s The following certificates, selected from a large number, are, however, stronger testimony than the mere word of the proprietors; and are all from gentlemen well known in their localities, and of the highest respectability, many of them residing in the city of Richmond, Va. F. BOYDEN, Esq., of the Exchange Hotel, Rich-

nond, known everywhere says he has seen the Medcine called CARTER'S SPANISH MIXTURE, administered in over a hundred cases, in nearly all the diseases for which it is recommended, with the most asten-ishingly good results. He says it is the most extraerdinary medicine he has ever seen.

AGUE AND FEVER-GREAT CURE.-I hereby sertify that for three years I had Ague and Fever of the most violent description. I had several Physicians, took large quantities of Quinline, Mercury, and I believe all the Tonics advertised, but all with out permanent relief. At last I tried Carter's Spanish Mixture, two bottles of which effectually spanish Mixture, two bottles of which encountry sured me, and I am happy to say I have had neither shills or fevers since. I consider it the best Tonic in this world, and the only medicine that ever reached my case.

JOHN LONGDEN. BRAVER DITCH, near Richmond, Va.

C. B. LUCK, Esq., now in the city of Richmond and for many years in the Post Office, has such confidence in the astonishing efficacy of Carter's Spanish Mixture, that he has bought upwards of 58 bottles, which he has given away to the afflicted.— Mr. Luck says he has never known it to fail when taken according to directions.

Dr. MINGE, a practising Physician, and formerly of the City Hotel, in the city of Richmond, says he has witnessed in a number of instances the effects of Carter's Spanish Mixture, which were most truly surprising. He says in a case of Consumption, de-pendent on the Liver, the good effects were won-derful indeed.

BAMUEL M. DRINKER, of the firm of Drinker & Morris, Richmond, was cured cured of Liver Complaint of three years standing, by the use of two bottles of Carter's Spanish Mixture.

GREAT CURE OF SCROFULA.—The Editors of the Richmond Republican had a servant employed in their press room, cured of violent Scrofula, com bined with Rheumatism, which entirely disabled him from work. Two bottles of Carter's Spanish Mixture made a perfect cure of him, and the Bdi-

tors in a public notice, say they "cheerfully recom-mend it to all who are afflicted with any disease of the blood." STILL ANOTHER CURE OF SCROFULA .- I had a very valuable hoy cured of Scrofula by Carter's Spanish Mixture. I consider it truly a valuable medicine. JAMES M. TAYLOR, Conductor on the R. F. and P. E.
